"Holtz has it", The Patented Universal bedframe caster

- No plating and made from recycled materials make this 100% recyclable.
- Composite materials are 20% stronger than old- fashioned rug runners.
- Certified to 150 lbs. per caster.
- Slick high fashion look will make this a must have on all high end bed frames.
- Weighing only 84 grams, this caster reduces inbound freight by 56% and offers the manufacturer the ability to ship more bed frames.
- 2 wheels will replace 4 SKU's - wide RR, wide RR/brake. narrow RR, narrow RR/brake.
- Wheel width of 2" eliminates the need for 1 3/4" and 2 1/4" inventory.
- Requires NO change in bed frame design - caster height, stem and off-set are EXACTLY the same as traditional bed frame casters.
- Load tested, dynamic tested, and field tested on a bed to insure functionality in the field.
- Not susceptible to radical changes in steel prices.
- Designed using advanced engineering techniques and finite element testing to insure performance.
