X-Caster™ Series 4" | X Caster

X-caster, plastic casters, plastic caster wheels, dual wheel casters, medical casters, black casters, double wheel casters, plastic caster, dual wheel caster | 150lb load capacity

Patented technology, uniquely engineered to deliver load capacity not previously available from a molded composite plastic caster

- Patented Design Delivers Superior Strength & Durability
- Market Proven Technology - Over 20 Million in Use
- Strongest Composite Caster on the Market - 80-150 lb Load Capacity per Caster
- Versatile Series - Connections for Every Application & Wheels for Every Floor Type
- Engineered for Easy Rolling
- COSTS LESS than Traditional Single Wheel Casters

Manufactured in accordance with Jacob Holtz Specification Test Standards:

- Dynamic Test - Caster loaded to 150 lbs, run over 1/8" obstacle for 500 crossings. Remove obstacle and run 9,500 additional strokes
- Static Load tested at four times the load rating
- Impact Test - Drop 2" with rated load (150 lbs x 2" = 300 inch lbs)

The X Caster©

X-caster, plastic casters, plastic caster wheels, dual wheel casters, medical casters, black casters, double wheel casters, plastic caster, dual wheel caster, polyurethane caster, plastic castors, polyolefin casters, x caster
